

Thank you for agreeing to present a poster at the upcoming 2009 MBID Retreat on **March 27, 2009** at the Institute of Molecular Medicine, 1825 Pressler Dr., Houston, TX 77030. A total of 24 posters have been submitted, so the poster session promises to be a great event! Here are some important points to remember:

- The poster session will be at **12:30-2:30 pm** in the James T. Willerson Discovery Hall (atrium area).
- The poster boards will accommodate full size posters (**4 feet high by 6 feet long**).
- Please bring your posters the day of the meeting and put them up at **8-10 am or 12:15-12:30 pm**. The poster boards will be numbered; please put your poster at the number designated in the program. (**Note:** Rooms near the atrium area will be in use from 10:00-12:15, and we need to stay out of the area during that time.)
- Push pins and/or Velcro strips will be available.
- If you are a graduate student or postdoc and wish to be considered for one of the poster awards, please be in the area of your poster between 12:30-2:30.
- The reception at **4:30-6:00 pm** will also be in the Discovery Hall, so that will provide another opportunity for attendees to view your poster. Please leave it up, if you can.
